David Strong, COO/CSO for IDEO
Theo Mann

Attorney in fact for Theo Mann pursuant to
Employee Confidentiality Agreement dated 6/10/99
2 of 2

IDEO Product Development Employee Confidentiality and Assignment Agreement

In consideration of my employment by IDEO, the salary paid to me, and my future access to certain Confidential Material (as defined below), I agree:

I. Proprietary Information. My employment creates a relationship of confidence and trust between IDEO and me with respect to Confidential Material (as defined below). I agree not to use, publish, discuss or otherwise disclose (except as my IDEO responsibilities may require), either during or subsequent to my employment, any Confidential Material. "Confidential Material" includes but is not limited to secret or confidential information, electronic data, concepts, drawings, images or models, business plans, financial information, and sales and marketing data. The confidentiality of material covered by this agreement encompasses both IDEO material and material of clients or others which IDEO is obligated to maintain in confidence. Notwithstanding the foregoing, it is understood that, at all such times, I am free to use information which is generally known in the trade or industry not as a result of a breach of this Agreement and my own skill, knowledge, know-how and experience to whatever extent and in whatever way I wish.

II. At-Will Employment; No Conflict. I will perform for IDEO such duties as may be designated by IDEO from time to time. I agree that my employment with IDEO is for no specified term, and may be terminated by IDEO at any time, with or without cause, and with or without notice. Similarly, I may terminate my employment with IDEO at any time, with or without cause and with or without notice. During my period of employment by IDEO, I will devote my best efforts to the interests of IDEO and will not engage in other employment or in any activities determined by IDEO to be detrimental to the best interests of IDEO without the prior written consent of IDEO.

III. Return of Materials. Upon termination of my employment or at the request of IDEO before termination, I will deliver to IDEO all written and tangible material in my possession incorporating the Proprietary Information or otherwise relating to IDEO's business.

IV. Inventions. As used in this Agreement, the term "Inventions" means any and all new or useful art, discovery, improvement, technical development, or invention whether or not patentable, and all related know-how, designs, maskworks, trademarks, formulae, processes, manufacturing techniques, trade secrets, ideas, artwork, software or other copyrightable or patentable works.

V. Disclosure of Prior Inventions. I have identified on Exhibit A ("Prior Inventions") attached hereto all Inventions relating in any way to IDEO's business or demonstrably anticipated research and development which were made by me prior to my employment with IDEO ("Prior Inventions"), and I represent that such list is complete. I represent that I have no rights in any such Inventions other than those Prior Inventions specified in Exhibit A ("Prior Inventions"). If there is no such list on Exhibit A ("Prior Inventions"), I represent that I have made no such Prior Inventions at the time of signing this Agreement.

VI. Ownership of Inventions; License of Prior Inventions. I hereby agree promptly to disclose and describe to IDEO, and I hereby assign and agree to assign to IDEO or its designee, my entire right, title, and interest in and to all Inventions and any associated intellectual property rights which I may solely or jointly conceive, develop or reduce to practice during the period of my employment with IDEO (a) which relate at the time of conception or reduction to practice of the invention to IDEO's business or actual or demonstrably anticipated research or development, or (b) which were developed on any amount of IDEO's time or with the use of any of IDEO's equipment, supplies, facilities or trade secret information, or (c) which resulted from any work I performed for IDEO ("IDEO Inventions"). I agree to grant IDEO or its designees a royalty free, irrevocable, worldwide license (with rights to sublicense through multiple tiers of distribution) to practice all applicable patent, copyright and other intellectual property rights relating to any Prior Inventions which I incorporate, or permit to be incorporated, in any IDEO Inventions. Notwithstanding the foregoing, I agree that I will not incorporate, or permit to be incorporated, such Prior Inventions in any IDEO Inventions without IDEO's prior written consent.

VII. Future Inventions. I recognize that Inventions or Proprietary Information relating to my activities while working for IDEO and conceived or made by me, alone or with others, within one (1) year after termination of my employment may have been conceived in significant part while employed by IDEO. Accordingly, I agree that such Inventions and Proprietary Information shall be presumed to have been conceived during my employment with IDEO and are to be assigned to IDEO unless and until I have established the contrary.

VIII. Cooperation in Perfecting Rights to Inventions.

A. I agree to perform, during and after my employment, all acts deemed necessary or desirable by IDEO to permit and assist it, at its expense, in obtaining and enforcing the full benefits, enjoyment, rights and title throughout the world in the Inventions hereby assigned to IDEO. Such acts may include, but are not limited to, execution of documents and assistance or cooperation in the registration and enforcement of applicable patents, copyrights, maskworks or other legal proceedings.

B. In the event that IDEO is unable for any reason to secure my signature to a document required to apply for or execute any patent, copyright, maskwork or other applications with respect to any inventions (including improvements, renewals, extensions, continuations, divisions or continuations in part thereof), I hereby irrevocably designate and appoint IDEO and its duly authorized officers and agents as my agents and attorneys-in-fact to act for and on my behalf and instead of me, to execute and file any such application and to do all other lawfully permitted acts to further the prosecution and issuance of patents, copyrights, maskworks or other rights thereon with the same legal force and effect as if executed by me.

IX. No Violation of Rights of Third Parties. My performance of all the terms of this Agreement and as an employee of IDEO does not and will not breach any agreement to keep in confidence proprietary information, knowledge or data acquired by me prior to my employment with IDEO, and I will not disclose to IDEO, or induce IDEO to use, any confidential or proprietary information or material belonging to any previous employer or others. I am not a party to any other agreement which will interfere with my full compliance with this Agreement. I agree not to enter into any agreement, whether written or oral, in conflict with the provisions of this Agreement.

X. Survival. This Agreement (a) shall survive my employment by IDEO, (b) does not in any way restrict my right or the right of IDEO to terminate my employment at any time, for any reason or for no reason, (c) inures to the benefit of successors and assigns of IDEO, and (d) is binding upon my heirs and legal representatives.

XI. Nonassignable Inventions. This Agreement does not apply to an invention which qualifies fully as a nonassignable invention under the provisions of Section 2870 of the California Labor Code. I have reviewed the notification in Exhibit B ("Limited Exclusion Notification") and agree that my signature acknowledges receipt of the notification. However, I agree to disclose promptly in writing to IDEO all inventions made or conceived by me during my term of my employment and for one (1) year thereafter, whether or not I believe such inventions are subject to this Agreement, to permit a determination by IDEO as to whether or not the inventions should be the property of IDEO. Any such information will be received in confidence by IDEO.

XII. No Solicitation. During the term of my employment with IDEO and for a period of two (2) years thereafter, I will not solicit, encourage, or cause others to solicit or encourage any employees of IDEO to terminate their employment with IDEO.

XIII. Injunctive Relief. A breach of any of the promises or agreements contained herein will result in irreparable and continuing damage to IDEO for which there will be no adequate remedy at law, and IDEO shall be entitled to injunctive relief and/or a decree for specific performance, and such other relief as may be proper (including monetary damages if appropriate).

XIV. Notices. Any notice required or permitted by this Agreement shall be in writing and shall be delivered as follows with notice deemed given as indicated: (i) by personal delivery when delivered personally; (ii) by overnight courier upon written verification of receipt; (iii) by telecopy or facsimile transmission upon acknowledgment of receipt of electronic transmission; or (iv) by certified or registered mail, return receipt requested, upon verification of receipt. Notice shall be sent to the addresses set forth above or such other address as either party may specify in writing.

XV. Governing Law. This Agreement shall be governed in all respects by the laws of the United States of America and by the laws of the State of California, as such laws are applied to agreements entered into and to be performed entirely within California between California residents.

XVI. Severability; Waiver; Entire Agreement. Should any provisions of this Agreement be held by a court of law to be illegal, invalid or unenforceable, the legality, validity and enforceability of the remaining provisions of this Agreement shall not be affected or impaired thereby. The waiver by IDEO of a breach of any provision of this Agreement by me shall not operate or be construed as a waiver of any other or subsequent breach by me. This Agreement represents my entire understanding with IDEO with respect to the subject matter of this Agreement and supersedes all previous understandings, written or oral. This Agreement may be amended or modified only with the written consent of both me and IDEO. No oral waiver, amendment or modification shall be effective under any circumstances whatsoever.

I certify and acknowledge that I have carefully read all of the provisions of this Agreement and that I understand and will fully and faithfully comply with such provisions.

PRIOR INVENTIONS

SEE ATTACHED SHEET

Exhibit A

PRIOR INVENTIONS

I, Theodore Gillmann, claim the following as prior inventions under section V. (Disclosure of Prior Inventions) in the IDEO Product Development Employee Confidentiality and Assignment Agreement:

1. Manufactured house designed for intermodal travel, possibly to be supported on a pole foundation, incorporating interchangeable wall panels and other modular features, with services such as water and sewer contained in or routed through floor sections.
2. A guide for hiking or other activities incorporating photographs, maps, and graphic representations of data, possibly to include a magnetic compass integral to the guide to allow for orientation of the guide.
3. Non-chemical means for repelling flying insects that utilizes turbulent air flow.
4. Membranophones incorporating resonant cavities developed from standard pipe fittings or of welded construction, including such with two membranes sharing a single resonant cavity. and including such designed with an orifice intended to direct sound outward rather than down from the instrument.
5. Swing that allows rider to perform flips and other acrobatic maneuvers.
6. Snorkel designed for reduced drag with the end of the snorkel located near the user's head.

Exhibit B

LIMITED EXCLUSION NOTIFICATION

THIS IS TO NOTIFY you in accordance with Section 2872 of the California Labor Code that the foregoing Agreement between you and IDEO does not require you to assign or offer to assign to IDEO any invention that you developed entirely on your own time without using IDEO's equipment, supplies, facilities or trade secret information except for those inventions that either:

(1) Relate at the time of conception or reduction to practice of the invention to IDEO's business, or actual or demonstrably anticipated research or development of IDEO; or

(2) Result from any work performed by you for IDEO.

To the extent a provision in the foregoing Agreement purports to require you to assign an invention otherwise excluded from the preceding paragraph, the provision is against the public policy of this state and is unenforceable.

This limited exclusion does not apply to any patent or invention covered by a contract between IDEO and the United States or any of its agencies requiring full title to such patent or invention to be in the United States.

I ACKNOWLEDGE RECEIPT of a copy of this notification.
